Dear Parent(s)/Carer(s),

The Governors Annual Meeting with Parents 2023 - 2024

The Schools Standards and Organisation (Wales) Act 2013 (The Act) have removed the requirement for school governing bodies to automatically hold an annual meeting with parents of children in the school. Instead, new arrangements have been introduced which enable parents to request up to 3 meetings in any school year with the governing body, on matters which are of concern to them.

If parents wish to use their rights under the Act to hold a meeting, 4 conditions need to be met:

1. Parents will need to raise a petition in support of holding a meeting.

The parents of at least 10% of the school's registered pupils will need to sign the petition. If it is a paper petition, then a written signature must be given as well as the name and class of each child who is a registered pupil at the school. If the petition is in electronic format, the 'signature' required is the typed name of the parent plus the name and class of each child who is a registered pupil at the school and the email address of each parent who 'signs' the electronic petition.

There were 136 children registered as pupils with this school at the beginning of this academic year. Exact roll numbers at any time during the year may be obtained from the school office.

2. The meeting must be called to discuss matters which affect the school.

The meeting cannot be called to discuss such matters regarding the progress of individual pupils, or to make a complaint against a member of the school's staff or governing body.

The petition should contain brief details of the matter(s) to be discussed, and the reasons for calling the meeting. This information should be clearly displayed at the top of the petition, with parents' signatures appearing below.

3. A maximum of 3 meetings can be held during the school year.

The law allows parents to use their rights to request up to 3 meetings with a school governing body during the school year.

4. There must be at least 25 school days left in the school year.

The law makes it a condition that at least 25 school days are left in the school year when the petition is received so that the meeting can be held.

A "school day" means a day when the school is open to pupils: it does not include weekends, public holidays, school holidays or INSET days.

The address for service of a petition requesting a meeting with this school's governing body is:

Mrs Maureen Winter
Clerk to The Governing Body
