

Year 4 - Areas of Learning and Experience

Language, Literacy and Communication

Inc: English, Welsh and ICT.

This term, Year 4 will be focusing on non-chronological report writing. In writing sessions pupils will continue to consolidate their accuracy in using spelling, punctuation and grammar. They will be encouraged to check and edit their written work with greater independence. Year 4 will be applying their language skills across all areas of the curriculum and will use ICT to enhance and present work. They will also experience the world of Minecraft education and begin to understand coding using lego wedo kits. They will be continuing to use Welsh on a daily basis through simple greetings and questions and will be taking part in regular welsh

Science and Technology

During Year 4's Science work this term, they will be encouraged to record observations along with ideas about what is happening and why. They will be investigating using scientific terminology to record accurately. This term our science focus will be 'states of matter'.

Humanities and RE Inc; Geography and History

The children will have the opportunity to explore how and when Vikings lived. They will research their jobs and the kinds of houses they lived in.

Health and Wellbeing Inc. PE, Personal and Social Education

Year 4 will be outside for their weekly PE session. They will be participating in team games this term including dodgeball, rugby and netball. PE takes place on a Wednesday. Please ensure that you send your child into school wearing their PE kit.

Expressive Arts Inc Music, Dance and Art

The children will design and create Viking long ships and listen to Viking music.

A Welsh artist will be studied for St David's Day and the Welsh culture explored through music and dance.

ESDGC-

The children will be encouraged to explore different cultures and identities.

Mathematics and Numeracy

This term the children will learn about perimeter and area, multiplication and division, fractions and decimals. Multiplication facts and be tested using TT Rock Stars each week. Year 4 will complete word problems on a weekly basis to develop their reasoning skills and continue to experience situations which are related to real life scenarios. The children will also have opportunity to use and apply their Mathematical skills across the curriculum.

How Can You Help?

- Continue to encourage your child to read for pleasure. As well as having access to a wide range of library books there will ebooks allocated to your child's Bug Club account. These are matched to reading age and designed to add to their choice of reading material.
- Look for opportunities to talk about numbers and real-life Maths
- Sign on to google classroom and complete any homework tasks given.
