

Our School Development Target

To improve pupils' reading comprehension skills through the explicit teaching and consistent application of effective comprehension strategies across the school.

Better Readers
Brighter Futures!

We can all do this by...

Creative Catrin

I can use my imagination and look at things in different ways!

I can improve my reading comprehension by...

- ★ Looking for clues in the text (pictures, layout, headings and key words).
- ★ Thinking about how the text makes me feel.
- ★ Making connections with my own ideas and experiences.
- ★ Asking questions about the text.

Different ideas help me understand!

Ethical Eleri

I can learn about people, places and different perspectives!

I can improve my reading comprehension by...

- ★ Finding and using information from different sources.
- ★ Considering different viewpoints and opinions.
- ★ Thinking about characters' feelings and motivations.
- ★ Understanding how the text links to the wider world.

A bigger picture helps me understand!

Ambitious Arwyn

I can ask questions, find answers and keep going!

I can improve my reading comprehension by...

- ★ Asking questions about the text.
- ★ Identifying the main idea and key information.
- ★ Summarising what I have read in my own words.
- ★ Checking my understanding and going back to the text.

Challenges help me grow as a reader!

Healthy Hywel

I can stay calm, focused and believe in myself!

I can improve my reading comprehension by...

- ★ Staying focused and avoiding distractions.
- ★ Using strategies like re-reading or breaking the text down.
- ★ Taking my time and not giving up, even when it's tricky.
- ★ Feeling proud of my progress and effort!

A positive mindset helps me succeed!
