

## Key Stage 4 at Ysgol Bae Baglan

## Key Stage 4 Resource Information Pack

Over the last four years, standards in Key Stage 4 have improved year on year. A positive learning culture is embedded in the school, and this, along with the consistently high quality teaching and learning enables pupils of all levels to make excellent progress. Pupils in Ysgol Bae Baglan demonstrate high levels of engagement and motivation in their learning.

During Key Stage 4, parents and carers will be kept up to date with their child's progress with interim and full reports and parents' evenings. All pupils studying GCSE, BTEC or vocational subjects in school will have many different assessments throughout Key Stage 4, including internal and external examinations and controlled assessment tasks. This information booklet will help pupils, parents and carers to organise and plan the Key Stage 4 learning experience.

Every pupil in Key Stage 4 will follow a broad and balanced curriculum that is suited to their own needs. All pupils will study English, Mathematics, Science, Skills Challenge Certificate, Welsh, Physical Education and Religious Studies: Equality and Diversity. Pupils also study subjects from their free choice option selection which have now been placed into Option blocks A, B and C, which can be a GCSE, BTEC or vocational qualification. This booklet provides information on assessments, controlled assessment tasks and examinations for each subject. Information with helpful websites and revision guides are also included in this booklet and these will provide pupils with additional support when studying courses in Key Stage 4.

## Pupil Progress Reporting to Parents / Carers

Helping your child to cope with exam pressure and stress.

Tests and examinations can be a very challenging part of school life for both pupils and parents but there are ways to reduce this stress and anxiety. Please remind your child that feelings like this are normal. Nervousness is a natural reaction to exams. The key is to put these nerves to positive use. Being reminded of what they do know and the hard work and time they have put into study and preparing for these situations can boost their confidence.

If your child is feeling stressed and anxious about exams please speak to their teachers, form tutor or Wellbeing Director. We have a team of staff who can help and support pupils through these stressful periods. Useful web based advice can be found at:

<https://www.nhs.uk/conditions/stress-anxiety-depression/coping-with-exam-stress/>
