## Examinations 2023-24

Dear Parent/Carer,

Your child will be sitting mock examinations between December 6<sup>th</sup> and December 15<sup>th</sup>, 2023 with additional Non-Examination Assessment tasks being completed in Art, Photography and Textiles the following week.

These examinations are an essential part of the preparation for GCSE Examinations, some of which will be sat by certain pupils immediately after the Christmas break. I know we will have your full support in ensuring your child fully prepares for these examinations and I request that you make yourself aware of when your child has an exam and ensure they arrive in school on time, with the correct uniform and equipment.

The timetable for the mock examinations is below and they will take place in the Main School Hall / Activity Studio under full exam conditions. Whilst these examinations are taking place pupils not sitting an examination will follow their timetable with lessons continuing as normal.

The timetables for all GCSE examinations taking place in November 2023, January 2024 and Summer 2024 can be found on our school website under Pupils – GCSE Exam Information and Support, or click [here](#) to take you directly to this information. Individual pupil timetables for the November Mathematics examinations have already been issued to pupils.

To ensure the best possible outcomes for pupils in this year's examinations please can I bring to your attention the following:

- Pupils to attend all revision sessions / clubs that are currently up and fully functional
- Pupils to get all resources they need to revise
- Get organised – all school notes up to date / past papers are available from subject teachers or online – WJEC Website
- Access to websites for revision tips and teaching methodology e.g. Mathswatch login with Hwb username and password, GCSE Bitesize
- KS4 resource book, distributed last year, which can be accessed [here](#).

Should you have any queries or concerns regarding these examinations please do not hesitate to contact me at the school.

Yours faithfully,

G Williams  
Deputy Headteacher
