Dear Parent / Carer,

Your child will be sitting their Year 10 school examinations between March 11th and March 21st, 2024.

These examinations are an essential part of the preparation for Year 11 and the external examinations, some of which will be sat by pupils this summer. I know we will have your full support and cooperation in ensuring that your child fully prepares for these examinations and please be aware of when your child has an examination and make sure that they arrive in school on time and with the correct uniform and equipment. Please use the 'Year 10 Information Pack' circulated earlier this year to help you child prepare for these examinations, a copy of which can be accessed [here](#).

The timetable for the school examinations is on the reverse of this letter and on our school website in the Examinations Section accessed via the Pupil drop down menu. They will take place during lessons 1 - 4 with session 1 starting at 8:45am and session 2 starting at 11:15am. They will be sat in either the Hall, Activity Studio or Library and your child will be given this information closer to the examinations. **If your child does not have an examination, they will attend lessons as per their normal timetable as full attendance is expected throughout this period.**

In addition to the school examinations, pupils will sit external examinations this summer in the following subjects, for which, the timetable can also be accessed [here](#) or via our school website.

Construction
English Literature
Entry Level Mathematics
Health and Social Care
History
Religious Studies

Triple Award Science, Double Award Science and Single Applied Science
Welsh Orals Unit 1 – April 16th – 18th.

Yours sincerely,

Mr. G. Williams
Deputy Headteacher
