Dear Parent/Carer,

Your child will be sitting their Year 10 school examinations between **Monday 2nd March and Friday 13th March 2026**.

These examinations are an important part of preparing for Year 11 and the external examinations, some of which pupils will sit this summer. We appreciate your support in ensuring your child is fully prepared. Please make sure you are aware of their examination schedule and that they arrive at school on time, in full uniform, and with the correct equipment.

To help your child prepare, please refer to the **Year 10 Information Pack** circulated earlier this year. A copy can also be accessed [here](#).

The examination timetable is printed on the reverse of this letter and is available on our school website under the **Examinations Section**, which can be found via the **Pupil** drop-down menu. Examinations will take place during **lessons 1–4**, with:

- **Session 1** starting at 8:45am
- **Session 2** starting at 11:15am

They will be held in the Hall, Activity Studio, or EA2. Your child will receive details of their allocated venue closer to the examination period. When pupils do not have an examination, they will attend their normal lessons, as full attendance is expected throughout this period.

In addition to these internal examinations, pupils will sit external examinations this summer, the timetable for these can also be accessed [here](#) or via our school website.

Thank you for your continued support.

Yours sincerely,

Mr. G. Williams
Deputy Headteacher
