

Year 11 and 10 GCSE Exam Results 2026

Dear Pupils, Parents, and Carers,

We are very much looking forward to welcoming our Year 11 and Year 10 pupils into school on **Results Day, Thursday 20 August 2026**—a truly special occasion in the school calendar.

Results Day is always a moment of celebration, giving us the opportunity to recognise the hard work, perseverance, and achievements of our pupils. It is a time to share in their success and to support them as they take their exciting next steps.

Pupils are warmly invited to collect their results in person from the **Activity Studio**, accessed via the main reception area.

- **Year 11 GCSE results:** 9:00am – 9:45am
- **Year 10 GCSE unit results:** 9:45am – 10:30am

We are incredibly proud of all that our pupils have achieved. For our Year 11 pupils, this marks the end of an important chapter and the beginning of many new opportunities. We wish them every success as they move forward into further education, training, or employment, and hope they carry with them fond memories of their time at Ysgol Bae Baglan.

We look forward to celebrating with you on the day.

Yours sincerely,

Mr Gareth Williams
Deputy Headteacher
