

Volunteering in Schools Policy

Reviewed & Updated : Autumn 2023
To be reviewed : Autumn Term 2026

Powys County Council Schools Service recognises the important role that volunteers play in the life of a school, and the contribution they make to the educational experience of the children of Powys.

Volunteers play an important role in supporting the education workforce. They bring with them a range of skills and experience that can enhance the learning opportunities of children. The Schools Service welcomes and encourages volunteers from the community.

Volunteers may include:

- Members of a school governing body;
- Parents of pupils;
- Ex-pupils;
- Students undertaking work experience;
- University or college students;
- Local residents;
- Friends of the school;
- Ordained or lay members of a religious organisation.

The types of activities that volunteers are engaged in will vary from school to school and will include activities both on and away from the school site.

Becoming a volunteer

Powys County Council recommends and requires that all volunteers are recruited or appointed in a manner similar to the recruitment and appointment system for paid members of staff. By implementing a similar procedure to the employee recruitment process, schools will be fulfilling their duty to safeguard children.

All schools must ensure that those wishing to become a regular volunteer complete a pre-appointment form (Appendix A). References (at least one) will be requested – see Appendix B.

If judged to be suitable to volunteer, all regular volunteers must complete a volunteer agreement (Appendix C) prior to starting which sets out the expectations on all volunteers.

Where someone wishes to volunteer on a one-off basis (e.g. for a school trip), they must complete a volunteer helper form (Appendix D).

Any school taking on a regular volunteer must seek Disclosure and Barring Service (DBS) clearance for that volunteer before they come into school. They must also contact or confirm with the Powys DBS Unit that they are using someone as a regular volunteer.

On being informed by a school that they have engaged the services of a regular volunteer, the DBS Unit will input the volunteer's details onto Trent (Powys County Council's Human Resources and Employment information management system). The DBS Unit will maintain – using Trent – a database of volunteers used in schools. If a school ceases to use the services of a volunteer, the school must inform the DBS Unit of this. Each school term, the DBS Unit will check with schools whether they are still using each regular volunteer listed for the school. This also allows the DBS Unit to process DBS renewals for volunteers in line with renewal requirement timescales.

Copies of all forms, alongside DBS records as appropriate, must be retained by the school for a period of 25 years after the volunteer ceases their volunteering. All volunteers must be provided with a copy of the volunteer data privacy notice (Appendix E).

Definition – “Regulated Activity”

All those (whether paid or voluntary) who engage in any activity on a frequent or intensive basis that occurs in an educational institution which is exclusively or mainly for the provision of full-time education to children. This means that all who work on a regular basis within a school's premises must comply with all statutory requirements regarding recruitment and ID checks.

Confidentiality

Volunteers in school are bound by a code of confidentiality – they must not disclose information about the school or children on the school roll to third parties. Volunteers must not liaise with parents about any child: any concerns or positive comments about a child must be relayed to the class teacher (in primary schools) or an appropriate link teacher (in high schools). That member of staff will then deal with that issue and liaise with the child's parents or carers.

If a volunteer is concerned about the behaviour and conduct of another adult in the school, then they must raise this with the head teacher.

Induction Training

Regular volunteers and students on placements are required to attend an induction session prior to starting their volunteer work. At the induction, the headteacher or an appropriate member of the Senior Leadership Team will induct the volunteer on safeguarding procedures at the school and will confirm the clear guidelines set out in this policy and the school's expectations. The volunteer will be given a copy of the *Volunteering in Schools Policy*, the school's Code of Conduct and the school's Safeguarding Policy. Volunteers may – as appropriate to their role – also need to be given a copy of the school's Health and Safety and behaviour and rewards policies. Induction will also allow volunteers to raise any questions they may have.

Where a volunteer is used for a single, one-off event (such as an educational visit in the local area), they must be adequately briefed before the event.

Whilst it cannot be mandated, it is recommended as a matter of best practice, that schools arrange for volunteers to complete online training (available through the Powys e-learning suite). The recommended courses are:

- Safeguarding
- Cybersecurity and GDPR
- Equality Act

Supervision

All volunteers must work under the supervision and direction of a named teacher in school (usually the class teacher in primary schools). Teachers retain responsibility for children at all times, including for behaviour and learning. Volunteers must not be asked to take ultimate responsibility for learners.

No volunteer must be unsupervised with children without a valid Enhanced DBS certificate and having had an induction.

For single, one-off events, volunteers are expected to be working alongside members of staff at all times.

School risk assessments must reference clearly that a person is a volunteer, and must take account of their volunteer status accordingly.

Safeguarding

The welfare of children is paramount. To ensure the safeguarding of all children:

- All volunteers must be given a copy of the school's Volunteer Policy;
- All volunteers must sign a working agreement;
- All volunteers must be made aware of the Safeguarding Policy for the school and the Wales Safeguarding Procedures (WSP);
- All volunteers must be informed that they, under the WSP, have a responsibility to report safeguarding concerns about a child (through the school's Designated Safeguarding Lead);
- All volunteers will be made aware of who the Designated and Deputy Designated Safeguarding Leads are in the school; **Charlotte Rimmer and Tara Jones**
- All volunteers will be subject to Enhanced DBS clearance if volunteering regularly;
- All volunteers must be made aware that they are subject to the procedures outlined in *Safeguarding Children in Education* (Welsh Government 009/2014).

Volunteer Procedures

All volunteers must be made aware of the school's operating procedures, particularly those that apply directly to them, namely:

- Signing in and out of the building;
- Wearing a visitor or volunteer badge at all times;
- Dress code;
- Fire/evacuation procedures;
- Lockdown procedures.

Complaints

Any complaints made about a volunteer will be referred to the headteacher or nominated complaints officer, as per the school's complaints policy, for investigation. Where a complaint references a safeguarding allegation against a volunteer that meets any of the criteria set out in paragraph 2.6 of *Safeguarding Children in Education* (Welsh Government 009/2014), this must be referred immediately to the headteacher, who will then liaise with the Designated Safeguarding Lead for Education in the local authority.

The headteacher reserves the right to take the following action:

- To speak with a volunteer about a breach of the Volunteer Agreement and seek reassurance that this will not happen again;
- Offer an alternative placement for a volunteer (e.g. helping with another activity or supporting another class);
- Based upon the facts identified in any investigation, it may be necessary for the headteacher and/or governing body to inform the volunteer that the school no longer has need of their services.

Monitoring and Review

This policy has been approved by the Governing Body and will be reviewed and updated in the light of new guidance from either Welsh Government or Powys County Council, or within three years of ratification, whichever comes first.

VOLUNTEER AGREEMENT – REGULAR VOLUNTEERS

As a volunteer at Knighton Church in Wales Primary School, I understand that class, pupil and parent details, staff room conversations or school matters are confidential and not to be shared or discussed with parents or members of the general public.

If I have any concerns I will initially raise the with the class teacher and then the head teacher, if necessary.

I understand that the class teacher is in charge of all activities and the behaviour management in the classroom. If I am asked to work with an individual or group of children within the classroom, I should follow the school's positive behaviour policy, which is available/on display at the office. I will not under any circumstances use physical interventions.

I understand that before I start working in school, the school will initiate and Enhanced DBS check on in the interest of the safety of the children in the school in accordance with the safeguarding duties on the school under the Education Act 2002 (section 175) and in line with other relevant guidance.

Should a situation arise where it is alleged that I have divulged any confidential information to a parent or member of the public, the matter will be investigated and my placement may be withdrawn.

Any allegation against me of a safeguarding nature, as per the criteria in Section 5 of the Wales Safeguarding Procedure/part 2 of *Safeguarding children in education* (Welsh Government 009/2014) will be handled as per the procedures in those documents. If the concerns are substantiated, my placement will be terminated and, if relevant, a report made to the Disclosure and Barring Service.

I understand that my personal details and the details of the DBS check will be held on the school's records and on the school/local authority Trent system for inspection by authorised personnel only.

I confirm that I have been provided with, have read and understand the following policies:

- Safeguarding policy

VOLUNTEER HELPER/PARENT HELPER AGREEMENT (NON-REGULAR VOLUNTEERS)

This agreement applies to those who are not regular volunteers. It should be used for single, isolated one-off incidents of volunteering to support an activity. This will ordinarily be for school trips where additional adults are required to support the trip.

Extra-curricular activities are an integral part of learning at Knighton Church in Wales Primary School and afford many children opportunities which are outside of their usual experiences. We are pleased that you have come forward as a volunteer helper. You will have an important role to play in the success and safety of the school trip.

Please read, sign and return this form. This is part of school's risk assessment planning.

Role of the volunteer helper:

- To be responsible for and look after, alongside and guided by the school staff, all of the children in your group.
- To stay with your allocated staff member and group of children, ensuring that the well-being and safety of the children is maintained, for the total duration of the activity.
- To model and promote polite, respectful and courteous behaviour towards each other and towards members of the public. We are all ambassadors for the school.
- To ensure that the group you are with keep up with the body of the school visit party, or keep to arrangements to regroup, be it walking, entering or exiting from transportation/venues, or following speakers/staff from the venue.
- To contact your allocated member of staff or a child's allocated member of staff or another member of school staff if there are any issues with first aid, health and safety, safeguarding, and behaviour.

Working alongside school staff:

School staff expect volunteer helpers to:

- Comply with all of the above whilst being under the direct line management of school staff.
- Show commitment to their group, an interest in the focus of the activity/visit and assist children in their learning by helping them and asking questions that encourage pupils to think.
- Follow guidance or instruction from the school staff.

What is not permitted:

Volunteer helpers are not permitted to:

- Bring additional siblings/children to the activity/on the trip.
- Re-organise pupil groups.
- Smoke, drink alcohol or engage in any illegal practices.
- Take photographs of pupils.
- Give/buy treats for their group (e.g. ice-creams, biscuits, sweets) before, during or after the activity/trip.

First Aid:

First aid will be the responsibility of school staff, who will access/carry any first aid equipment. Staff will also have a list of children with any medical needs. You will be informed if any child in your group has medication/medical needs. If medication needs to be administered, this will be done by a trained member of staff.

Appendix D

Emergencies:

You are expected to inform a member of staff as soon as possible if you become separated from the rest of the school party. Please telephone the school directly on [school number] and the school will contact the staff member.

Parent volunteer:

I will support the pupils in enjoying the activity and actively contribute to the smooth running of the event.
