

Year 1- 'Cregyn' Class

Miss Hannah Stephens
(Teacher)

Mrs Lisbeth Callegari
(Learning Assistant)

Miss Destiny Collard
(Teaching Assistant)

Ms Louvain Jones
(Teaching Assistant)

Our class is called the Shell class, there are 30 children in the class. The purpose of this page is to show you what happens in year 1.

PIC•COLLAGE

PIC•COLLAGE

This term the 'Cregyn' *class will* be studying a different theme each term across the six areas of learning and experience. During year 1 and as learners progress further in progression stage 1 and progression stage 2, learners will develop into healthy and confident individuals, principled informed citizens, capable ambitious learners and enterprising and creative contributors.

The learners will gain extensive experience during their time in year 1 and complete tasks both inside and outside. We have diverse areas inside and outside in order to motivate learners to research, learn and encourage independence.

Reading books

The learners are wished to bring her reading books and reading record to school on Mondays, Tuesdays and Thursdays. It is essential that they bring their reading books to school. Books will be changed when the pupil has completed the book and shows that they have understood what they have read. I would like to emphasize the importance of **reading as often as possible** with your child.

Physical Education

Physical education sessions are held on Thursdays.

Pupils are expected to change into their exercise uniform **at school** before taking part. Exercise Kit: T-shirt (House colour) dark shorts/trousers and trainers suitable for exercise (trainers).

Muddy Wednesday

Your child needs old clothes and rain boots **every Wednesday**. We do a range of activities during the afternoon outside whatever the weather. Pupils are expected to change into their Muddy Wednesday uniform **at school** before taking part.

Thank you for reading the Shell class website page.

Warm regards, Miss Stephens.
