Year 2

Papur Prysur

After all the rain we've had, we went down to the woods to see how much wood was about - and we found loads! There was mud everywhere! We walked all round the woods to see what was there - we found a river, a swamp and a mud slide. We had the best times sliding through all the squelchy mud.

To celebrate Santes Dwynwen Day on January 25th, we made some 1,2,3 biscuits - 10z of sugar, 20z of margarine and 30z flour. We made the biscuits into a heart shape. We had to mix the margarine and sugar together and then add the flour. Next, we had to roll the dough but not too thinly or the biscuits would burn.

Before the holidays, it was story week. We got to choose which story we had each night before coming home. We had a real surprise one day when some of the year 6 children came to read to us. They were really good at reading and we all hope that we'll be that good at reading when we're in year 6.
