Dear Parents/Carers,

### **Amber Weather Warning**

We are working with colleagues in Newport City Council to ensure we remain fully updated on Storm Claudia. We have been reassured that schools in Newport do not need to close.

However, it is likely that over the course of the day, there is potential for many parts of Greater Gwent and the surrounding areas to experience higher levels of rainfall which may cause flooding and disruption.

With this in mind, to ease the pressure on the roads around the school this afternoon during heavy rain and potential flooding, we will be implementing a wider "pick-up window" for you to collect your child from the class:

- If it is convenient for you, you may collect your child from their usual classroom door any time from 2:30pm – 3:30pm (infants)/3:40pm (juniors)
- Year 2 children will need to be collected from the main school office if leaving before 3:30pm.
- Any Y3-6 children who walk home or walk to the car, will not be released until the usual time of 3:40pm.
- ALN Transport remains the same.

To reiterate – this is NOT a school closure and there is no requirement for you to collect your child early. You can still collect them at the usual time, however please ensure that you give yourself additional travel time due to weather conditions.

The school and Newport CC hope that this staggered finish time will reduce traffic implications and ensure a smoother journey home for all pupils across Newport.
