Dear Parents/carers,

Year 6 Summer Term

As many of you are aware, Mrs Lawson has been absent from school over the last couple of months and I now have confirmation that she will not be returning to school before the end of the school year.

In her absence, the class will continue to be covered by an agency supply teacher, Miss Quinn with Mrs Ryan supporting across both classes to co-ordinate end of year activities and events for Year 6 pupils. We understand that this is not the preferred end to their time in school but I am sure you will appreciate that this situation is beyond our control and we are doing everything to ensure that they continue to enjoy their end of primary school celebrations.

We understand that some parents have anxieties and have been asking questions about transition visits to High Schools but unfortunately, these events are out of our hands and are arranged directly with the High Schools and the individual families, depending on what schools the children are moving to. Rest assured that in school, our staff will continue to support the children with their individual anxieties around transition in general but our hands are tied in relation to the practical arrangements for visits etc.

Mrs Ryan has sent a separate update to Year 6 parents via SeeSaw. She is currently trying to liaise with eleven different High Schools to ensure that pupil information is passed on, but if you have any direct queries in relation to when children will attend their relevant High Schools, you would need to contact these schools directly yourselves. (They should all have sent information directly to you by this point.)

Thank you for your support and understanding during this time. We hope that you enjoy the upcoming musical of Mary Poppins and the Year 6 Leavers' Celebration in the coming weeks.

Cofion cynnes / Kind regards,

Mrs J Richards

Pennaeth / Headteacher
