SECTION 1: OUTLINE OF THE POLICY

1. INTRODUCTION

- 1.1 The Federated Schools of St Joseph's Catholic Nursery, Infants and Juniors are committed to conducting its business with honesty, integrity and expects all staff to maintain high standards in accordance with their contractual obligations and the School's policies and procedures.
- 1.2 The requirement to have clear whistleblowing procedures in place is set out in the [Federated Schools of St Joseph's Catholic Nursery, Infants and Juniors Handbook](#).
- 1.3 This policy has been written in line with the above document, as well as the [government guidance on whistle-blowing](#). We also take into account the [Public Interest Disclosure Act 1998](#).
- 1.4 This procedure is written solely for the purpose of raising concerns about wrongdoings. This policy should not be used for personal grievances (e.g. bullying, harassment, discrimination) which are not covered by whistleblowing law.

2. WHAT IS WHISTLEBLOWING

- 2.1 Whistleblowing is where a worker reports suspected wrongdoing at work. This is officially called, making a "qualifying disclosure" in the public interest.

A worker can report things that fall within the scope of matters set out below:

- a) that a criminal offence has been committed, is being committed or is likely to be committed,
 - b) that a person has failed, is failing or is likely to fail to comply with any legal obligation to which they are subject,
 - c) that a miscarriage of justice has occurred, is occurring or is likely to occur,
 - d) that the health or safety of any individual has been, is being or is likely to be endangered,
 - e) that the environment has been, is being or is likely to be damaged, or
 - f) that information tending to show any matter falling within any one of the preceding paragraphs has been is being or is likely to be deliberately concealed.
 - g) that breaches of financial management procedures have occurred
- 2.2 If you have any genuine concerns related to suspected wrongdoing or danger affecting any of the School's activities (a whistleblowing concern) you should report it under this policy.
 - 2.3 When an individual wishes to raise a concern, he or she will need to identify the concerns they have.

2.4 Immunity from Disciplinary Action

2.4.1 If a worker brings information about a wrongdoing to the attention of their employers, they are protected in certain circumstances under the Public Interest Disclosure Act (PIDA) 1998. This policy does not provide a worker with immunity from disciplinary action and they cannot rely on the protection afforded by the policy if they have:-

- undertaken inappropriate or unethical conduct;
- failed to comply with the school's policies, procedures or Standing Orders; legislation or statutory regulations;
- being responsible for the misuse of public office or public funds;
- committed fraud, corruption or other conduct which is an offence or a breach of law;
- made the disclosure without good faith or without believing it to be substantially true;
- made the disclosure for personal gain.

Under the Enterprise and Regulatory Reform Act 2013, workers must also make disclosures in the reasonable belief that doing so was in the public interest in order to enjoy protection under PIDA.

2.5 ANONYMOUS ALLEGATIONS

2.5.1 No protection is provided by this policy or PIDA to a worker who makes anonymous allegations. Concerns expressed anonymously will be considered at the discretion of the School.

3. AIMS & SCOPE OF THE POLICY

- 3.1 To encourage and enable any person to feel confident in raising serious concerns and to question and act upon concerns as soon as possible, in the knowledge that their concerns will be taken seriously and investigated as appropriate, and that their confidentiality will be respected and;
- a) To provide staff with guidance on how to raise those concerns;
 - b) Set clear procedures for how the school will respond to such concerns
 - c) To reassure staff that they should be able to raise genuine concerns in good faith without fear of reprisals, even if they turn out to be mistaken.
- 3.2 Encourage individuals affected to report suspected wrongdoing as soon as possible in the knowledge that their concerns will be taken seriously and investigated, and that their confidentiality will be respected.
- 3.3 This Policy reflects the School's current practices and applies to all individuals working at all levels of the organisation, including the Governors, Headteacher, members of the Senior Leadership Team, employees, consultants, contractors, trainees, part-time and fixed-term workers, casual and agency staff (collectively referred to as "Staff" in this policy) who are advised to familiarise themselves with its content.
- 3.4 This policy does not form part of any employee's contract of employment and may be amended at any time. The policy applies to all employees or other workers who provide services to the school in any capacity including self-employed consultants or contractors who provide services on a personal basis and agency workers.

4. WHO TO CONTACT

- 4.1 As a first step, employees working in a voluntary aided school should normally raise concerns with their immediate line manager or their superior. This depends, however, on the seriousness and sensitivity of the issues involved and who is suspected of the malpractice.
- 4.2 At The Federated Schools of St Joseph's Catholic Nursery, Infants and Juniors, concerns should normally be raised with either the Headteacher, Mrs D'Souza (or in her absence Deputy Headteacher, Mrs Subebe).
- 4.3 If you feel this would not be appropriate (such in the circumstances such as when a worker believes that management is involved) then the matter should be directed to the Chair of Governors, Nicola Brunton.

Phone: Will be contacted via the school office

Email Address: nicola.brunton@st-josephs-inf.waltham.sch.uk

- 4.4 Non- employees of the School (eg. agency workers or contractors) should raise their concern, in the first instance, with their named contact at the school, usually the person they directly report to such as the Deputy Headteacher or Headteacher. If they feel this would not be appropriate in the circumstances then the matter

should be directed to the Chair of Governors, Nicola Brunton.

4.5 Concerns must be raised in writing and should include the following information:

- the background and history of the concern (giving relevant dates);
- the reason why the worker is particularly concerned about the situation.

4.7 The earlier a worker expresses their concern the easier it will be to take action.

4.8 Although workers are not expected to prove beyond doubt the truth of an allegation, they will need to demonstrate that there are reasonable grounds for their concerns.

SECTION 2: PROCESS

1. OUTLINE OF PROCEDURE/INVESTIGATION

- 1.1 St Joseph's hopes that in many cases staff will be able to raise any concerns in writing to their Line Manager stating that they are raising their concern under this policy. They may be able to agree a way of resolving a concern quickly and effectively. In some cases they may refer the matter to the Chair of Governors.
- 1.2 An investigating officer will be appointed or a team of investigators including staff with relevant experience of investigations or specialist knowledge of the subject matter. The investigator(s) may make recommendations for change to enable the School to minimise the risk of future wrongdoing.
- 1.3 A meeting will be arranged with the 'whistleblower' as soon as practicable to discuss their concern and record sufficient details to enable the matter to be thoroughly investigated. As a minimum, the name of the employee will be

recorded, but it also needs to be established whether the individual wishes his or her identity to remain confidential.

- 1.4 The Investigator will take notes and produce a written summary of the concern raised and provide the 'whistleblower' with a copy as soon as practicable after the meeting. The School will also aim to give the "whistleblower" an indication of how it proposes to deal with the matter.
- 1.5 When a the Chair of Governors is appointed as the investigating officer (unless the concern is related to the Chair) they would normally be supported by their HR Provider.
- 1.6 The investigating officer should follow the investigation process as per Appendix A.
- 1.7 If the investigating officer determines there is no substance to the allegations and it can be established that a 'whistleblower' has made false allegations maliciously, in bad faith or with a view to personal gain, the 'whistleblower' may be subject to separate action under the School's Disciplinary Policy.
- 1.8 Whilst it cannot always be the guaranteed outcome a particular member of staff is seeking, the Investigating Officer will try to deal with the concern fairly and in an appropriate way. If a member of staff is not happy with the way in which his or her concern has been handled, he or she can raise it with one of the other key contacts outlined above.

SECTION 3: GENERAL INFORMATION

1. SUPPORT FOR WHISTLEBLOWERS

- 1.1 It is recognised that the decision to raise a concern can be difficult, not least because of the fear of reprisals.
- 1.2 Any harassment or victimisation will not be tolerated and action will be taken to protect individuals who raise concerns.
- 1.3 No information will be released regarding the identity of a whistleblower to any person within the school. Information will only be released to the appropriate person when there is a legal requirement to do so, e.g. a court order. The only exception to this shall be where the whistleblower themselves gives written permission to do so.
- 1.4 Where a whistleblower alleges they are / have been victimised / harassed as a result of raising a concern, the matter shall be reported to the appropriate person, Please refer to the section marked 'Who to Contact'.
- 1.5 Anyone found to have victimised or harassed someone who has made a referral under this policy will normally be subject to a disciplinary process.
- 1.6 Concerns expressed anonymously are much less powerful but will be considered at the discretion of the School. In exercising this discretion, the factors to be taken into account would include :
 - a) Seriousness of the issue;

- b) Credibility of the concern ;
- c) The weight of the evidence;
- d) Likelihood of being able to obtain the necessary information.

2. CONCERNS AGAINST GOVERNORS

- 2.1 The Chair of Governors, Nicola Brunton, has overall responsibility for the Whistleblowing Policy in Voluntary Aided Schools. If a concern is received against a Governor, other than the Chair of Governors, then this will be treated in the same way as any other concern. It will receive the same serious consideration. The concern will be raised by the Headteacher with the Chair of Governors who will decide how it should be dealt with and follow the Investigation procedure.
- 2.2 If the concern is against the Chair of Governors then clearly this process cannot be followed. In such circumstances, the concern will be taken directly to Director the Director of Education, Robert Simpson, in the Diocese of Brentwood for Voluntary Aided Schools.
- 2.3 This policy is intended to provide a worker with an avenue within the school to raise concerns, and hopes that the worker will be satisfied with any action taken.

3. HOW TO RESPOND TO WHISTLEBLOWING CONCERN

- 3.1 The receiver of the whistleblowing concern may need to seek HR advice on how to manage the process.
- 3.2 The action taken will depend on the nature of the concern. Where appropriate, the matters raised may:
 - a) be investigated by management, internal audit, or other appropriate person
 - b) be referred to the external auditor
 - c) be referred to the police
 - d) form the subject of an independent inquiry.
- 3.3 In order to protect individuals, an initial investigation will be carried out to decide whether a full investigation is appropriate and, if so, what form it should take. Concerns or allegations which fall within the scope of specific procedures, for example, child protection or discrimination etc will normally be referred for consideration under those procedures.
- 3.4 The person raising the concern will be notified as soon as possible, certainly within 7 working days:
 - a) acknowledging that the concern has been received,
 - b) indicating how it is proposed to deal with the matter,
 - c) giving an indication of when a final response or update will be provided
 - d) telling the person whether any initial enquiries have been made,
 - e) supplying the person with information on staff support mechanisms,
 - f) telling the person whether further investigations will take place and, if not, why not,
 - g) advised to contact their union and the employee assistance programme for support.

- 3.5 Where any meeting is arranged, staff have the right to be accompanied by a trade union or professional association representative or a work colleague who is not involved in the area of work to which the concern relates.
- 3.6 Steps will be taken to minimise any difficulties, which a person may experience as a result of raising a concern. Support and advice will also be provided, should they be required to give evidence, e.g. at a disciplinary hearing.

4. SAFEGUARDING

- 4.1 If a member of staff suspects that there is a serious safeguarding issue which they feel the Headteacher is not taking seriously or that they believe there is a serious safeguarding issue involving the Headteacher, they should refer the matter to the appropriate contact as set out in the section marked 'Who to Contact'.

5. RECORDS

- 5.1 The Federated Schools of St Joseph's are required to keep a register of Public Interest Disclosure (Whistleblowing Register) which should only be accessible by Headteacher and the Chair of Governors due to the confidential nature of the allegations and who they are against.
- 5.2 Where the whistleblowing concern is about either the Headteacher or Chair of Governors, these will be recorded on the list kept by the responsible officer at for Voluntary Aided Schools at the Diocese of Brentwood.

6. Malicious or vexatious allegations

- 6.1 Staff are encouraged to raise concerns when they believe there to potentially be an issue. If an allegation is made in good faith, but the investigation finds no wrongdoing, there will be no disciplinary action against the member of staff who raised the concern.
- 6.2 If, however, an allegation is shown to be deliberately invented or malicious, the Governing Body will consider whether any disciplinary action is appropriate against the person making the allegation.

7. Approval

- 7.1 This policy will be reviewed every three years.
- 7.2 These procedures have been agreed by the Governing Body, who will approve them whenever reviewed.
